

# Federal Business Opportunities (FedBizOpps)

## Overview

In accordance with the President's Management Agenda for E-Government, Federal Business Opportunities (FedBizOpps) is the single Government point-of-entry (GPE) for Federal Government procurement opportunities over \$25,000. Government buyers are able to publicize their business opportunities by posting solicitation information directly to FedBizOpps via the Internet. Through one portal, commercial vendors seeking Federal markets for their products and services can search, monitor and retrieve opportunities solicited by the entire Federal contracting community.

## Capabilities

- Robust searching capabilities for vendors to locate relevant Federal solicitation information.
- Provides government user with interested vendor list and sends e-mail notifications to vendors on applicable solicitation information.
- Metrics module to give authorized government users ability to track aggregated FBO activity for their particular agency and office location.
- Fully dedicated help desk staff between the hours of 0800 to 1800 (EST) Monday-Friday.
